Commitment Letter for Non-Business Organisations

Dear Mr. Secretary-General,

I am pleased to confirm that ANIMA Investment Network supports the ten principles of the UN Global Compact with respect to human rights, labour, environment, and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public. This commitment is notably already developed through the "sustainable investment" initiative launched by ANIMA in 2011.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialised initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

Sincerely yours,

Mr. Emmanuel NOUTARY
