ANIMA Expertise

ANIMA supports institutions and companies in their strategies of development:

A tailor-made expertise offer, involving economic development specialists from Europe, Africa and the Mediterranean region

Know-how based on tools and methodologies developed over 15 years of collaboration between public and private actors in Europe, the Middle East and Africa

Corporates

Take advantage of the business, innovation and creativity dynamics between Europe, the Mediterranean and Africa.

LEARNING VISIT

Tailor-made missions to discover innovation hubs and meet local start-ups, clusters, institutional stakeholders and business communities

CHALLENGE CALL

Mobilising innovators to address your technological, environmental or social issues

SOFT LANDING

Incubating entrepreneurs from your target countries and co-innovate in your business

MENTORING

Mobilising your teams to support the most promising entrepreneurs and start-ups in the region

CONSULTING

Business intelligence, development of studies, strategic recommendations and targeted networking

Economic development stakeholders and institutions

We enhance your strategies on international cooperation and support their implementation.

ADVICE, TECHNICAL ASSISTANCE AND CAPACITY BUILDING

Strategies (studies, mapping, business climate, value chains), attractiveness (Foreign Direct Investment, marketing & communication, diaspora & development, missions & logistics) and monitoring (impact evaluation and rating)

MULTI-STAKEHOLDER DIALOGUE AND ADVOCACY

Mobilise and foster ecosystems, build a dialogue through the organisation of advocacy panels, undertake public consultations and draft policy papers

SETTING UP SUPPORT MECHANISMS FOR THE PRIVATE SECTOR

Organise and moderate business events, mobilise talents, entrepreneurs and investors from the diaspora

COOPERATION PROJECT ENGINEERING

Monitor funding opportunities and cooperation, get support to develop your project, delegate the project management

LEARNING VISIT

Organise international missions in/out including meetings with growth entrepreneurs, key accounts, clusters, institutional actors and business community

CHALLENGE CALL

Mobilise innovators to address the challenges of your territory and foster innovation ecosystems
