

Search for experts in the field of Blue Economy

Marseille, August 23rd, 2023

Organisation

ANIMA is an international network that works towards economic integration and convergence between Europe, Middle East and Africa.

ANIMA develops initiatives with the objective of making its partner countries more attractive to business and investment, improving the performance of policies and institutions, and promoting companies that create value for society.

ANIMA network brings together 70 member organisations in 20 countries and more than 400 experts and partners coordinated by a team of 17 people based in France and Morocco.

Background

ANIMA is increasingly involved on initiatives linked to the development of the blue economy, either to produce knowledge or to implement projects on a Mediterranean scale.

ANIMA is looking for people with experience in the field of blue economy both to provide expertise and to contribute to the development of new initiatives. The objective is to strengthen ANIMA activities in this field.
